  - a. Please call the school district in advance of your visit to ensure staff is available to meet with you, complete the application, and issue the work permit.

3. Deliver the original work permit during normal business hours to Chautauqua Institution's Human Resources Office in the Colonnade building on 1 Ames Avenue in Chautauqua, New York. Appointments are appreciated at 716-357-6228. Human Resources must keep the work permit on file, for the duration of employment. ## Minors in a New Age Bracket

The employment certificate is based on the minor's age and must be updated as needed. For example, when the minor turns 16, the minor must obtain new working papers (e.g., from 'blue' to 'green' working papers). The updated working papers must be provided to Chautauqua Institution as soon as the next scheduled shift following the birthday.

Parents/legal guardians should proactively anticipate scheduling a physical and obtaining updated working papers if the minor will have a birthday which requires new working papers during the minor's employment with Chautauqua Institution. The minor will be contacted by Human Resources or management in advance as a reminder.

## Return of New York State Work Permit

Chautauqua Institution does not retain the original working papers after the conclusion of employment. In most cases Chautauqua Institution will return the work permit by mail to the minor's address on file.
