

## CHQ RENTS

### CHAUTAUQUA VISUAL ARTS - SCHOOL OF ART STUDIO RENTAL RATES

(Private use only. No unauthorized visitors or general public allowed.)

Studio spaces are located in the Art Quad, a historic U-shaped building overlooking a green expanse leading to views of Chautauqua Lake. The partitioned studio spaces include a table, chairs and wall space that separate the individual studio from one another. Each uniquely laid out studio averages between 75 and 100 square feet and offers a combination of privacy and connection with other artists. We also have ample outdoor space for artists to make work and experiment.

Eight "Faculty" private studios are also available, with doors that lock. Each studio has 2 tables and a chair with large walls and at least one window, and average 180 square feet. None of the studios are air conditioned and most have fans.

Restrooms are located on the south side of the Quad near the woodshop.

Artists who are deeply engaged in their practice are eligible to apply to rent our studio spaces. More than one space may be rented at a time.

Please note: Our ceramics studio, printmaking studio, woodshop, digital media studio, drawing studio, and great room will all be closed during the studio rental period in 2023.

If you are interested in renting a studio, please contact Director of Production, Kam Hobbs, at [khobbs@chq.org](mailto:khobbs@chq.org).
