

## CHQ Trail

The trail is open to the public from sunrise to sunset all spring, summer and fall for recreational and educational purposes, including hiking, birdwatching and play.

This project was made possible through a Play Everywhere Design Challenge grant, a program run by KABOOM! that invites communities like ours to submit creative ideas for public installations that help make play easy and available for kids and families.

## **Prohibited Activities**

- Hunting
- Horseback riding
- Motor vehicle use
- Camping
- Fires
- Dumping
