

## CHQ RENTS

### CHAUTAUQUA VISUAL ARTS - SCHOOL OF ART STUDIO RENTAL RATES

(Private use only. No unauthorized visitors or general public allowed.)

Studio spaces are located in the Art Quad, a historic U-shaped building overlooking a green expanse leading to views of Chautauqua Lake. The partitioned studio spaces include a table, chairs and wall space that separate the individual studio from one another. Each uniquely laid out studio averages between 75 and 100 square feet and offers a combination of privacy and connection with other artists.

Private "Faculty" studios are also available, with doors that lock. Each studio has 2 tables and a chair with large walls and at least one window, and average 180 square feet.

None of the studios are air conditioned and most have fans. Restrooms are located on the south side of the Quad near the woodshop.

Studios are available to rent during the Chautauqua Institution Summer Assembly Season as well as off-season (see dates below). Rentals are subject to availability, and studio inventory is greater offseason.

Please note: Renting a studio does not give you access to additional facilities such as the ceramics studio, print shop, wood shop, drawing space, or classes. If you would like to access facilities beyond your studio, please sign up for a pass or special studies class. You can do so by contacting [art@chq.org](mailto:art@chq.org)

If you have questions please contact [art@chq.org](mailto:art@chq.org)
